GRAVITY DISPENSERS

SUSTAINABLE CHOICE

An eco-friendly solution, both for the consumer and the retailer.

PROFITABILITY

- Reduction of packaging-related costs;
- Increase in commercial margins.

ERGONOMIC & EASY TO USE

- Simple, intuitive, and pleasant to use;
- Adapted to all types of customers.

SPACE OPTIMIZATION & QUICK INSTALLATION

- Compact design;
- Easily integrates with existing shelves.

HYGIENIC & EASY TO CLEAN

- Quick cleaning;
- Compliant with food hygiene standards.

Gravity dispensers, also known as bulk food dispensers, are innovative containers that make it easier to store and distribute a variety of dry products, such as grains, cereals, sweets, nuts, and even pet food.

Operating through the force of gravity, these dispensers offer numerous advantages for commercial use.

A stack of clear plastic storage bins, likely for office or industrial use, is shown in a black and white photograph. The bins are stacked vertically, with the top bin slightly offset to the right. A large, semi-transparent blue circle is overlaid on the right side of the image, partially obscuring the bins. The text 'BULK SOLUTIONS' is printed in white, bold, sans-serif font in the bottom left corner.

DESCRIPTION/ **Metal clip for securing the crossbar**

DIMENSIONS/ **(W)43 x (D)29 x (H)32 mm**

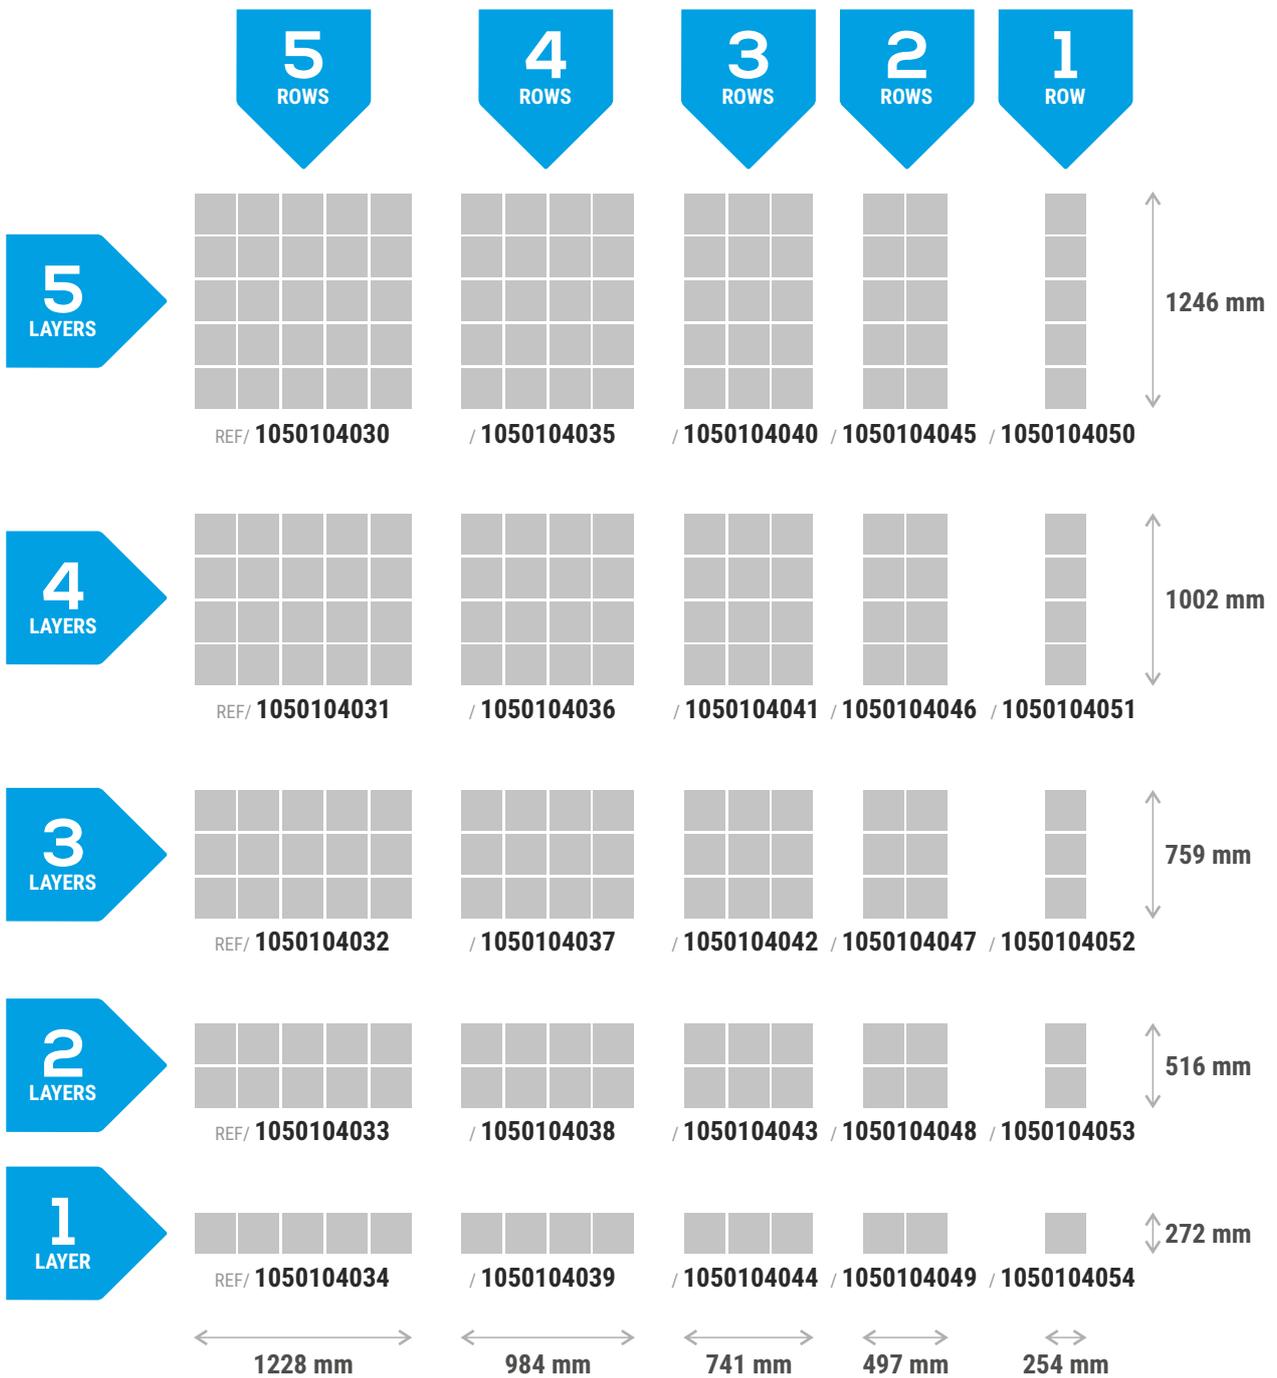

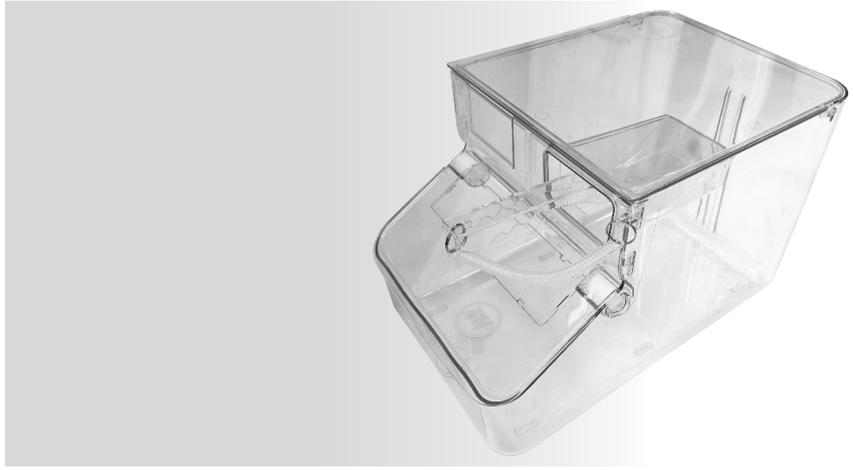

MATERIAL/ **Metal**

Pick & Mix systems are, in most cases, difficult to integrate into existing shelving systems. The magic of our Out of the Box system is that it works with most of them. You just place the polycarbonate frame on a shelf and secure it at the back by hanging it on a crossbar. This solution provides tilt, and the weight is supported by the shelf.

**MULTIPLE
COMBINATIONS
OF YOUR CHOICE**

BULK SOLUTIONS

A close-up photograph of a person's hands in a laboratory. One hand holds a glass scoop filled with white granules, pouring them into a glass jar held by the other hand. The background shows a laboratory bench with various glassware and equipment. A blue circular graphic with a white spiral line is overlaid on the right side of the image.
